## **Features**

#### **Lighting Performance**

Constructed with a clear glass lens with clear shatter resistant coating and polycarbonate neck, this lamp has a 5 watt power consumption that produces up to 500 lumens. The LED lamp is driven by 120V AC input power from medium base socket.

#### **Colour Temperature**

Available in 2700°K correlated colour temperature. It maintains a colour rendering index of 85.

### **Lumen Maintenance**

70% of initial lumen output after 50,000 hours projected life.

#### **Thermal Management System**

Durable passive aluminum heat sink is used to manage heat generated by the LED lamp. The heat sink employs a smooth outer design that resembles a standard incandescent lamp.

## Dimming

100~25% dimming. The LED lamp supports industry standard TRIAC and ELV dimmers (contact factory for listing of compatible dimmers).

## **Beam Spread**

With a high efficiency, precision engineered lens, the LED lamp is capable of providing 360 degree beam spread.

## **Operating Temperature**

-30°C~35°C (-22°F~95°F)

#### **Environment**

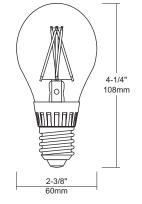

Suitable for dry locations. Not for use in totally enclosed luminaires.

SPECIFICATION		
Approved Location	Dry	
Base	E26	
Beam Angle	360°	
CCT	2700°K	
Certification	cULus	
CRI	85	
Dimming	Yes	
Dimming Technology	TRIAC / ELV	
Incand. Equivalent	40W	
Lamp Type	A19	
Lumens	500	
Lumens per watt	100	
Max. Operating Temp.	35°C	
Min. Start Temp.	-30°C	
Power Factor	>0.9	
Lumen Maintenance	70% @ 50,000 hrs	
Rated Life	25,000 hrs	
Voltage	120V AC	
Warranty	5 Years	
Wattage	5	

# **Description**

This 5 watt line voltage dimmable filament LED lamp is UV and IR radiation free, minimizing discoloration and fading of materials. LED technology reduces energy and maintenance costs when compared to conventional light sources. Suitable for both residential and commercial applications, approved for dry locations. Can be used as a replacement to line voltage incandescent lamps.

**Notes:** For additional options please consult your Liteline representative.

Due to our continued efforts to improve our products, product specifications are subject to change without notice.

## **Ordering Guide**

#### F1-A19LED5W-27

5W Line voltage filament LED A19 E26 lamp, 120V, 2700°K, 500 lumens, dimmable.

## **Compatible Dimmers**

Brand	Model	Maximum Number of Lamps per Dimmer
	DVELV-300P	27
Lutron	SELV-300P	27
	NTELV-300	27
	NTELV-600	48
